We're all voting for Elmedina, Alex & Jonathan!

"Emma

Turle Road

I'll vote Green because I want to be represented by someone who lives in our community and will advocate for us. I know Elmedina, Alex & Jonathan will listen and actually serve with empathy.

"Ann

Tollington Way

Dina, Alex and Jonathan are approachable, friendly and really committed to listening to everyone. They will work to build a fairer, greener Islington.

"Fabian

Tollington Way

We need councillors like Elmedina, Alex and Jonathan who'll actually listen and get what's going on in our community, and do something about it.

"Aldhun

Tollington Park

I have felt let down by Labour in Tollington for years. I am really excited these Green candidates live locally, and understand and will fight for the issues which matter here.

"Asima

Independent councillor, former Labour councillor

As a councillor, I know local people feel let down on the cost of living, on housing, on Gaza. I'd urge everyone in Tollington to back the Greens.

"Ashleigh

Marriott Road

Having a diverse group of council candidates, from a range of backgrounds, who really understand Tollington ward voters, is important to me.

Postal voters: remember to send back your vote as soon as you can!

Greens can win in Tollington!

Britain Votes.Now polling for Tollington Ward in the May 2026 Islington Council election, as of 6th April 2026
